

Chinese Language Proficiency Tests (HSK, YCT, BCT), Wellington 2011

The Confucius Institute at Victoria University of Wellington has signed an agreement with Hanban to offer three Chinese Language Proficiency Tests per year. In 2011, the following three tests will be offered :

- HSK Level 1-6 Written & Oral Tests (for adult students), **4 December**
(Register by 7 November)
- YCT Level 1-4 Written & Oral Tests (for intermediate and secondary students), **12 November**
(Register by 16 October)
- BCT Written & Oral Tests (Business Chinese), **6 November**
(Register by 10 October)

Registration

Registration for the tests is now open. Candidates will need to first register online at Hanban's Chinese Testing Website:

<http://www.chinesetesting.cn/index.do>

Fee Payment

After registering online, candidates will need to complete their registration by paying their fees at the Confucius Institute at Victoria University of Wellington. We accept cheques, payable to Victoria University of Wellington. A fee schedule is attached at the end of this document.

Preparation and Training

Test candidates can download practice tests at Hanban's Chinese Testing Website:

<http://www.chinesetesting.cn/gosimexam.do>

The CI can provide materials for Chinese language teachers who wish to give practice tests to their students.

The CI also plans to offer a series of HSK, YCT, and BCT training workshops in October (time and location TBA).
